Vancouver Youth Soccer Association Intra-Club Permit (ICP) Rules

1. The U11-U12 8-Aside League shall grant a player registered with a team playing in the league permission to play for a U11-U12 league team **operated by the same club**, provided the player has the consent of their registered team and the approval of VYSA, as follows:
 - Players playing for a club's "in-district" U-11 team may play on permit for an 8-Aside League U-11 team in the same Club.
 - Players playing in U-12 may play on permit for a higher calibre U-12 division only.
 - Each division within the league (Silver 1, Silver 2 etc.) is considered a different calibre.
2. Permits will be allowed for league games only. Registered Out-of-District players shall not be eligible to play under permit. Players under suspension shall not be eligible to play under permit.
3. Any team official requesting a player permit must apply for permission by completing a permit form supplied by the league. The application form bearing the consent of the releasing team must be approved by the District Registrar or Designate prior to the game. Permits must not be approved if doing so would imperil the player's registered team's ability to meet its scheduled commitments.
4. A permit is valid only for the team, day and league game stated on the permit application form.
5. An approved permit form for the permitted player must be presented to the game official and the opposing coach prior to the start of the game.
6. Teams shall not be granted permits for more than three (3) players for any one league game. A player shall not play on a permit more than three (3) times in one season. Each ICP is recorded by the VYSA Registrar.
7. Any disciplinary action applied from misconduct reported while playing in a game under permit shall be served during future games of their registered team, as per discipline rules.
8. Any team playing a player on a permit that does not conform to the above rules shall be sanctioned as for playing an ineligible player, and have permit privileges withdrawn.
